

**NOTICE OF PUBLIC HEARING
KENTUCKY DIVISION FOR AIR QUALITY
TO REVISE KENTUCKY'S STATE IMPLEMENTATION PLAN AND
AIR QUALITY REGULATIONS**

The Kentucky Energy and Environment Cabinet will conduct a public hearing on August 24, 2010, at 2:00 p.m. (local time) in Conference Room 201B of the Division for Air Quality, 200 Fair Oaks Lane, Frankfort, Kentucky. This hearing will be held to receive comments on the following proposed administrative regulations:

- 401 KAR 51:001. Definitions for 401 KAR Chapter 51. (Amendment)**
401 KAR 52:001. Definitions for 401 KAR Chapter 52. (Amendment)

These amendments propose to revise the definitions of terms used in Kentucky's Prevention of Significant Deterioration (PSD), New Source Review (NSR), and Title V regulations. The adoption of these revisions is necessary in order for Kentucky's programs to be consistent with those at the federal level and for Kentucky to continue to receive full delegation of authority of the NSR program.

This hearing is open to the public and all interested persons will be given the opportunity to present testimony. To assure that all comments are accurately recorded, the Division requests that oral comments presented at the hearing are also provided in written form, if possible. Written comments must be received by close of business on August 31, 2010, to be considered part of the hearing record. The Energy and Environment Cabinet does not discriminate on the basis of race, color, national origin, sex, age, religion, or disability and provides, upon request, reasonable accommodation including auxiliary aids and services necessary to afford an individual with a disability an equal opportunity to participate in all services, programs, and activities.

The full texts of the proposed regulations are available for public inspection and copying during regular business hours (8:00 a.m. to 4:30 p.m., local time) at the locations listed below. Any individual requiring copies may submit a request to the Division for Air Quality in writing, by telephone, by FAX, or e-mail. Requests for copies should be directed to the contact person. The proposed administrative regulations can be accessed at: <http://www.lrc.state.ky.us/KAR/TITLE401.htm>.
